

Thanks for your vote!

In the words of the renowned farmer Joel Salatin, you vote every time you put food in your mouth. It's easier to complain, regulate or procrastinate, but you have gone to the most effective voting booth—your pocketbook—and registered your choice.

It's an election year (collective groan), and we, your farmer pundits, are foreseeing another landslide for healthy and local.

NOMAD is looking forward to a great 2024 of supplying eating alternatives to the masses weary of flat, tasteless, compromised commercial fare. Bulk beef cows devour the summer flush of grass and are at their peak in the fall.

NOMAD

We expect our 2024 bulk beef back from butcher *in the second or third week of November.*

To help meet soaring demand for autumn bulk grass-fed beef orders, we are offering early purchase options by deposit only. Skip the waiting list and SECURE your fall bulk beef order now.

This year we have TWO ways to secure your bulk beef order. Choose one:

1. Order online on the nomadfarms.org website on the TURKEY & BULK BEEF ORDERS page. You can pay your deposit in two clicks there. *Note: all online orders will include a 2% North Carolina food tax plus a 2.75% credit card fee. We hate this, but credit card company costs are untenable for us.*
2. Like the old days, email us a info@nomadfarms.org telling us what quantity you want. Once we have confirmed your portion, drop your deposit (or full balance) check in the mail to:

NOMAD Farms, LLC

6301 Doral Drive

Tobaccoville, NC 27050

Balance due can be paid by personal check or cash at pick-up.

As always, we appreciate your patronage and your friendship. Get out the vote!
