There's a revolution afoot. A new awakening to the desperate need for conscientiously raised foods, with meats that hit the high standards long ago abandoned by our grocery chains. Why not take a bulk discount and enjoy the convenience of satisfying cuisine ready at hand?

We expect our 2025 bulk beef back from butcher ***around the second week of November.***

This year we have TWO ways to secure your bulk beef order. Chose one:

1. Order online on the [nomadfarms.org](http://nomadfarms.org) website on the "Turkey & Bulk Beef Orders" page. You can pay your deposit or full amount there. *Note: all online orders will include a 2.75% credit card fee. We hate this, but these convenience costs are untenable for us.*
2. Like the old days, email us a [info@nomadfarms.org](mailto:info@nomadfarms.org) telling us what quantity you want. Once we have confirmed your portion, drop a deposit check in the mail to:

**NOMAD Farms, LLC  
6301 Doral Drive  
Tobaccoville, NC 27050**

Balances can be paid by personal check, cash, or by card online, but again, we have to pass the 2.75% online convenience fee on to you if that's your choice.

As always, we appreciate your patronage and your friendship.
